About Sycamore Services, Inc.

Sycamore Services, Inc, provides a variety of supports to individuals with all types of disabilities as they seek to become more independent in their homes, on their jobs and in their communities. For some, services may include instruction and assistance in keeping a checkbook or planning and preparing nutritious meals. For others it may be making a continuing connection in the community to extend their circle of friends. Each individual works with a Sycamore consultant to set goals for himself/herself and the consultant develops a plan that will meet the person's needs while making progress toward goals. Sycamore Services, Inc. is a certified "First Steps" provider for evaluation and programs for children with developmental delays or disabilities.

Sycamore Services, Inc. is a 501(C)3 nonprofit organization.
